Dear Bianca- Maria;

We are excited to welcome you to Esade's **Stock Market** programme. As the academic management team, we will be in charge of giving you the support you deserve in order to provide you with the most enriching training experience possible.

In the next 48 hours, you will receive an email from IT support with your username/password for our virtual learning platform, the Virtual Campus, as well as its URL address. We encourage you to update your profile and photo once you have accessed the platform, as well as to change your password and **time zone** (*the time zone is especially important to ensure that you receive exact information regarding established deadlines, as well as receiving email alerts about the program's progress*).

We would also like to invite you to the **Online Welcome Session** that will take place on **Thursday 22nd at 17:00 (CEST)** and will be run by our academic management team. During this session, we will offer the necessary training about the online learning methodology that we use, as well as a tour of the Virtual Campus. Don't worry if you can't attend the session; it will be recorded for later viewing.

The **start date** of the program is **Thursday 22nd**. Once this date has arrived, you will be able to access all the program content and start working on assignments.

Lastly, important information, such as the syllabus and the evaluation system, can be found in the "**Documentation**" section of the Virtual Campus.

We hope you enjoy a pleasant learning experience that helps you acquire new skills and knowledge for your professional improvement in an area that's constantly changing.

Thank you very much.

Warm regards,

Academic Management Department.
